

## Kids Ride Free program – **IMPORTANT UPDATE**

Effective January 1, 2017, all kids ages 12 and under have been able to ride London Transit buses free of charge.

**Beginning June 1, 2017**, kids riding LTC will be required to tap their LTC key fob on the smart card reader to record their ride. This is required so we can count the actual rides being provided.

We have chosen to issue a fob versus a smart card given it can be easily attached to a zipper, backpack, or lanyard, making it easy for your child to keep track of. We suggest you obtain a separate fob for each of your children that will be riding LTC.

The fobs are available at our two locations (450 Highbury Ave or Dundas/Richmond). Staff will also be on hand at the following locations and times for the distribution of the fobs.

**\*\*Locations, dates and times are subject to change, please check back regularly for updates.**

As the parent or caregiver, we ask that you review the 3 easy steps below with your child so they are aware of what is required. They can begin tapping their fob as soon as they have it!

Remember, if they have questions when they board the bus, they can also ask the Operator for assistance.
